Annexure to form of application for admission to the Prince of Wales's Royal Indian Military College, Dehra Dun.

I.....,father/guardian of..... .....a candidate for admission to the Prince of Wales's Royal Indian Military College, Dehra Dun, declare that it is my desire that my son/ward should make the Indian Army, Air Force, or Royal Indian Marine his profession in life.

I further declare that I have made myself acquainted with the fees payable at the Prince of Wales's Royal Indian Military College, and subsequently at the Indian Military Academy, Dehra Dun (*viz.*, Rs. 3,850 for a course of 2½ years); and at the Royal Air Force College, Cranwell (*viz.*, £286-8-0 for a course of 2 years); and expenditure to be incurred in connection with the training of cadets for appointment as Commissioned Officers of the Royal Indian Marine (*viz.*, £250 in the case of Executive Branch and £475 for the Engineer Branch); and that I am able and willing to pay the prescribed fees and meet the expenditure in the case of the Royal Indian Marine, as also the incidental expenses.

I declare also that—

(*a*) if my son/ward withdraws from the Prince of Wales's Royal Indian Military College before appearing at an examination for admission to the Indian Military Academy, the Royal Air Force College, Cranwell, or the Royal Indian Marine;

Or

(*b*) if, having been declared successful at one of the examinations mentioned at (a) above, does not proceed to one of the Institutions with the intention of adopting the Indian Army, Indian Air Force, or Royal Indian Marine as his profession,

for reasons within his control or mine (on which points final decision will rest with the Government of India), I shall be required to pay the full cost which Government may have incurred on his education at the Prince of Wales's Royal Indian Military College.

I declare also that my son/ward is unmarried and that he will remain a bachelor whilst at the College and until he has completed, subsequently, a course at the Indian Military Academy, Royal Air Force College, Cranwell, or for admission to the Royal Indian Marine.

Place.....,

Date.....

Signature of Parent/Guardian.

DEVELOPMENT SECRETARIAT

No. G. 2275—Ft. 322-33-10, dated 9th September 1937.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 35 (iii) of the Mysore Forest Regulation (XI of 1900) that the boundaries of the Belavathahalli Reserve constituted as such in Government Order No. R. 1558-61—Ft. 40-08-4, dated the 7th September 1908, be revised as shown in the schedule appended after disafforesting Survey numbers 2, 22, 24, 25 and 26 of Malladevihalli, Survey numbers 6 and 24 of Hebbaranahalli, Survey numbers 58 and 65 of Doddenahalli, comprising an area of 310 acres 10 guntas as per notifications referred to below:—

	Acres.	Guntas.
Government Order No. G. 221—Ft. 321-28-4, dated 16th August 1929	89	31
Government Order No. G. 2751—Ft. 56-30-2, dated 4th September 1930	30	2
Government Order No. T. C. 4883—Ft. 50-22-6, dated 12th February 1924	63	6
Government Order No. G. 773-6—Ft. 322-33-4, dated 28th July 1934	40	1
Government Order No. G. 782—Ft. 322-33-7, dated 29th July 1937	87	10
Total ...	310	10

Schedule.

Boundaries.

North.—Starting from the south-east corner of Survey No. 20 of Nagenahalli village, the line runs east and north-east for 100 chains along the southern boundary of Harnahalli and Devarayapatna villages; then south, west, south-east and south and runs along the western boundary of Survey No. 44 of Malladevihalli; then west, south-west, west and north-west along the northern boundary of Survey Nos. 42, 39, 38, 37, 35, 34 and 32; then north along the eastern boundary of Survey No. 30; then west, south-west and north-west along the northern boundary of Survey Nos. 30 and 29 to the north-west corner of Survey No. 29; then south, south-east along the western boundary of Survey No. 29 to the trijunction bondhs of Survey Nos. 28, 26 and 27; then south-west along the northern boundary of Survey Nos. 26 and 25 to the north-west corner of the latter survey number of the same village on the eastern limits of Nagenahalli village; then the line runs south-east along the western boundary of Survey Nos. 25, 24, and 22 of Malladeviballi to the south-west corner of the last named survey number; then east along the southern boundary of the same survey number to its Hotte bondh on the western boundary of Survey No. 17 of the same village which is also the north-east corner of Survey No. 86 of Doddenahalli; then south-west along the northern boundary of that survey number to its north-west corner; then slightly south-east along the western boundary of the said survey number to its south-west corner; then east along the southern boundary of Survey No. 86 to its south-east corner; then south-east, south, east and north along the western, southern and eastern boundaries of Survey No. 87 to the north-east corner of Survey No. 87 of the same village; then west for 6 chains; then north-east for 6 chains; then east along the southern boundary of Survey No. 88 to its south-east corner; then the line turns south-east and runs through Survey No. 85 of Doddenahalli for a distance of about 13 chains; then further south-east in the same Survey number for a distance of about 26 chains along the western and southern boundaries of the newly disafforested portion in Survey No. 85 to the westernmost corner of Survey No. 81; then along the southern boundary of Survey Nos. 81 and 71 to the south-eastern corner of the latter survey number on the western boundary of Survey No. 70; then south along the western boundary of the same survey number to its south-west corner; then east and north-east along the southern boundary of the same survey number to its south-east corner and then to the southernmost corner of the small tank; then the line runs along the south side of the tank till it joins the south-east corner of Survey No. 69; then turns north and runs along the eastern limits of the Survey Nos. 69 and 68 till it meets the north-east corner of Survey No. 68; then turn east and follows the southern limits of Survey No. 66 to its south-east corner; then in the same direction for a distance of about 8 chains along the southern boundary of the disafforested area till it meets the south-west corner of Survey No. 53; then in the same direction along the southern boundary of the last named survey number to its south-east corner; then in the same direction along the southern boundary of the disafforested area till it meets the westernmost corner of Survey No. 55 and then south-east along its western side to its south-west corner; then in the same direction along the southern boundary of Survey No. 56 to its south-east corner, then in the same direction through Survey No. 58 along the western boundary of the disafforested area for a distance of about 10 chains; then north-east for a distance of about 8 chains along the eastern boundary of the disafforested portion till it meets the southern limits of Survey No. 57 at a point about 20 chains north-west from the southernmost corner of Survey No. 57; then turns south-east and runs along the western boundary of the last named survey number for about 20 chains and meets the common boundary of Doddenahalli and Belvathahalli villages at a point about 25 chains south-west from the trijunction bondhs of Hebbarnahalli, Belavathahalli and Doddenahalli; then runs in north-east direction along the abovesaid common boundary till it meets the trijunction bondhs referred to above and then runs in northerly direction along the western boundary of Hebbarnahalli for about 80 chains and meets the Arsikere-Hassan Road at a point about 13 chains south from the south-west corner of Survey No. 23; then south-east along the southern boundary of Survey No. 24 of Hebbarnahalli to a point where the high road and the cart-track from the said village meet; then the line crosses the high road and cart-track and follows the said cart-track in northerly direction and meets the south-west corner of

Survey No. 20 of the said village; then turns east and runs along the southern boundary of the said survey number and meets its south-east corner; then south-east along the western side of Survey No. 15 to its south-west corner; then further south-east along the southern sides of Survey Nos. 15, 14 and 13 and meets the south-east corner of the last named survey number on the western boundary of Belavathahalli; then north along the said boundary and meets the trijunction bondhs of Inam Makanahalli, Hebbaranahalli and Belavathahalli; then slightly north-east along the southern boundaries of Inam Makanahalli and Abbanaghatta till it meets northernmost corner of Survey No. 79 of Belavathahalli.

East.—Then the line runs south, south-west and west along the northern sides of Survey Nos. 79, 78, 77, 76 and 75 of Belavathahalli and meets the north-west corner of the last named survey number; then south along the western boundary of Survey No. 75 and meets the north-east corner of Survey No. 74; then north-west, west, south and south-east along the northern and western boundaries of Survey No. 74 and meets the north-west corner of Survey No. 57; then south-west and south along the western boundaries of Survey Nos. 57 and 56 and meets the south-west corner of last named survey number; then east, south and east along the southern boundaries of Survey Nos. 56 and 57 and meets the north-west corner of Survey No. 58; then south, east, north and east along the western, southern and eastern boundaries of the said survey number to the south-west corner of Survey No. 59; then south-east along the southern boundary of Survey No. 59 till it meets its south-east corner; then north and east along the eastern side of the said survey number, till it meets the south-west corner of Survey No. 64; then south along the western boundaries of the said survey number and Survey No. 86 to the south-western corner of the latter survey number; then east, south-east and north-east along the southern boundary of the said survey number to its south-east corner; then south-east along the western and southern boundaries of Survey No. 90 to its south-east corner; then north-east along the eastern boundary of the same survey number and Survey No. 89 to the north-east corner of the last named survey number on the western boundary of Abbanaghatta village; then south along the western limits of the said village to the trijunction bondhs of Abbanaghatta, Belavathahalli and Mududi; then south-west along the common boundary of Mududi and Belavathahalli to the trijunction bondhs of Mududi, Belavathahalli and Cheeranahalli.

South.—Then the line runs west, south-west and south along the northern boundary of Cheeranahalli till it meets the north-east corner of Survey No. 20 of Belavathahalli; then slightly north-west along the northern boundaries of Survey Nos. 20 and 19 of the same village to the north-west corner of the last named survey number; then north and south-west along the eastern and northern sides of Survey No. 18 to its north-west corner; then south along the western side of the same survey number to the north-east corner of Survey No. 16; then west along the northern boundaries of Survey Nos. 16 and 15 till it meets the south-east corner of Survey No. 13; then north along the eastern boundary of the same survey number till it meets the south-west corner of Survey No. 7; then slightly north-east along the southern boundaries of Survey Nos. 7 and 6 till it meets the south-east corner of the last said number; then north along the eastern boundaries of Survey Nos. 6, 5, 4, 3 to the north-east corner of the last named number and then east along the southern boundary of Survey No. 94 to the south-east corner of Survey No. 93; then in the northerly direction along the eastern boundaries of Survey Nos. 93, 97 and 98 to the north-east corner of the last named survey number; then west and south-west along the northern boundary of Survey No. 98 to its south-west corner; then north along the eastern boundary of Survey No. 99 to its north-east corner; then west along the northern boundary of the same survey number to its north-west corner; then west and north-west along the eastern boundary of Survey No. 100 to its north-east corner, then slightly west along the northern boundary of Survey No. 100 to its north-west corner, then north along the eastern boundary of Survey No. 101 to its north-east corner; then west along the northern boundary of Survey No. 101 to its north-west corner, then north-west and west along the eastern and northern boundary of Survey No. 36; then south-west, south-east and south along the western boundary of Survey No. 38, to its south-west corner; then west, north-west and west along the northern boundary of Survey No. 39; and south along the western boundary of the said survey number to its south-west corner; then north-west, north and west along the northern boundary of Survey No. 40; then south-east and south-west and south along the western boundary of the said survey number to its south-west corner; then east along the southern boundary of the same survey number to its south-east corner; thence south-west and south-east and east along the western boundary of Survey No. 41 to the north-west corner of Survey No. 44; then south along the western boundary of the same survey number to its south-west corner, then south-west along the north and west sides of Lambanihatti to the north-west corner of Survey No. 45; then south along the western boundary of the said survey number to its south-west corner; then west, north-west and south-west along the northern boundary of Survey No. 49 to the south-east corner of Survey No. 53; then north-west along the eastern boundary of the said survey number to its north-east corner; then

south-west, south-east along the northern and western boundaries of the said survey number; then south-east along the western boundary of Survey No. 52; then south along the western boundary of Survey No. 50 to the north-east corner of Survey No. 51; then west to its north-west corner on the northern boundary of Rangapur Kaval; then north-west, south-west, north-west and south-west along the northern boundary of the Rangapur Kaval to the common bondhs of the Kaval and Nagenahalli at a point where the foot-path from Nagenahalli and Rangapur Kaval crosses the said boundary.

West.—Then the line runs north-east through Survey No. 35 of Nagenahalli to its south-west corner; then in the same direction along the eastern boundary of Survey No. 60 meets the south-west corner of Survey No. 36; then east along the southern boundaries of Survey Nos. 36 and 37 to the south-east corner of the last named number; then north, north-west, north-east, north-west, west and south-west along the eastern boundaries of Survey Nos. 37, 40 and 42 of the said village to the north-west corner of the last named survey number; then north-west along the eastern boundaries of Survey Nos. 43 and 44 to the north-west corner of the last named survey number; then east and north along the southern and eastern boundaries of Survey No. 83 till it meets the south-west corner of Survey No. 32; then east along the southern boundary of the same survey number to its south-east corner; then south and east along the western and southern boundaries of Survey No. 33 to its south-east corner; then crossing the foot-path from the Kaval to Harnahalli, joins the western boundary of Survey No. 34 of Nagenahalli; then south-west and south-east along the southern boundaries of the said number to its southernmost corner; then north-east along the eastern boundary of the same survey number to its north-east corner; thence north and north-west to its north-west corner on the eastern limits of Survey No. 20. thence north-east along the eastern limits of the same survey number to the starting point.

N. B.—All the survey numbers used in this Notification are the Re-survey numbers.

No. D. 2228—*Seri.* 27-37-1, *dated* 10*th September* 1937.

Mr. M. S. Ramchendra Rao, B.A., Director of Industries and Commerce in Mysore, is appointed Government Director of the Mysore Spun Silk Mills, Ltd., *vice* Mr. S. G. Sastry.

Notification No. D. 2222—*A. & E.* 66-37-1, *dated* 10*th September* 1937.

Mr. M. S. Ramchendra Rao, B.A., Director of Industries and Commerce in Mysore, is appointed Government Director of the Mysore Sugar Company, Ltd., *vice* Mr. S. G. Sastry.

No. G. 2409—*Ft.* 46-37-2, *dated* 14*th September* 1937.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation XI of 1900, that from the 1st December 1937, the area, the boundaries of which are set forth in the schedule appended to this Notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

Schedule.

			Ramasamudra			
		Kasamballi	Laknaikanahalli ...			
			Doddukalhalli			
			Kolar Gold Fields Mining area of lease Nos. 134 and 152.			

Boundaries.

North.—Starting from a point about 7 chains north-east from the north-east corner of Survey No. 39 of Boyinahalli, the line runs north-east for about 28 chains through Survey No. 40 of the same village to the junction gadi bondhs of Jodi Inam Bairaganahalli, Doddavalagamadi and Boyanahalli Villages; then runs east for about 29 chains along the southern

boundary of Doddavalagamadi village to the junction gadi bondhs of Doddavalagamadi and Kolar Gold Fields lands and Boyanahalli villages.

East.—Then the line runs due south for a distance of 10 chains to a point where Kolar Gold Fields boundary stone No. K 65 is fixed. Thence the line runs south-east in a straight line for a distance of about 88 chains through Survey Nos. 41 of Boyinahalli, 60 of Ukkarahalli and through the Kolar Gold Fields mining area of lease No. 134 and reaches a point on the northern boundary of Survey No. 26 of Boyisannepalli village 59 chains south-east from the junction gadi bondhs of Survey No. 41 of Boyinahalli and 60 of Ukkarahalli villages (marked D in the sketch); then the line runs in the same direction for a distance of about 45 chains through Survey No. 26 of Boyisannepalli and reaches a point where Kolar Gold Fields boundary stone K No. 55 is fixed (marked E in the sketch); then the line runs slightly south-east for a distance of 202 chains along the Kolar Gold Fields boundary stone Nos. K 78, K 62, K 63 and reaches a point where the Kolar Gold Fields boundary stone No. K 22 is fixed, then the line runs south through Survey Nos. 88 of Doddakalhalli and one of Lakkanaikanahalli to a point 6 chains north from the north-west corner of Survey No. 2 of Lakkanaikanahalli; then the line runs south-west for about 8 chains in Survey No. 1 of Lakkanaikanahalli to a point 5 chains west from the north-west corner of Survey No. 2 of Lakkanaikanahalli, then it runs slightly south-east for about 29 chains through the same Survey No. and meets a halla at the Mysore-Madras Frontier line at a point about 7 chains south-west from southernmost corner of Survey No. 6 of Lakkanaikanahalli.

South.—Then the line turns slightly north-west and runs along the frontier boundary till it meets the junction gadi bondhs Atinatha and Bisanatha of the Madras Presidency; and then it turns south and runs along the frontier boundary to the junction gadi bondhs of Atinatha and Jodi Inam Taninadagu villages; then runs slightly south-west along the northern boundary of the latter village up to the Bangalore-Madras Railway line; then north-west along the right side of the said Railway line for about 70 chains through Survey Nos. 52 and 19 of Ramasamudra Village to a point about 13 chains south from the south-east corner of Survey No, 18 of Ramasamudra.

West.—Then the line turns slightly north-east and runs through Survey No. 19 of Ramasamudra for about 11 chains to a point 5 chains south-east from the south-east corner of Survey No. 18 of Ramasamudra; then runs north-west through the same Survey No. for about 15 chains to a point 5 chains north-east from the north-east corner of Survey No. 18 of Ramasamudra; then it runs north-west through the same Survey No. 19 for about 19 chains and meets the common boundary of Ramasamudra and Bodagurki villages at a point 5 chains east from the south-east corner of Survey No. 23 of Bodagurki, then the line runs slightly north-west through Survey No. 22 of Bodagurki for about 11 chains to a point 5 chains east from the north-east corner of Survey No. 23 of Bodagurki; then the line runs slightly north-east for about 12 chains to a point 5 chains south from the south-east corner of Survey No. 18 of Bodagurki; then runs north-east for about 12 chains to a point 5 chains east from the eastern most corner of Survey No. 17 of Bodagurki; then runs slightly north-east in the Survey No. 22 of Bodagurki for about 34 chains at a distance of 5 chains from the eastern boundary of Survey Nos. 16, 9, 8 of Bodagurki village to a point 5 chains east from the north-east corner of Survey No. 8; then the line runs in the same direction for about 18 chains to a point about 12 chains east from the south-east corner of Survey No. 71; then runs north for about 10 chains to a point 12 chains north-east from the north-east corner of Survey No. 67 of Bodagurki village; then runs north-west for about 14 chains to a point 5 chains north from the north-east corner of Survey No. 67; then runs north-west for about 35 chains and cuts the Kamasandara-Kolar Gold Fields Road at the point (4—15, 5—15) where this road turns south-west; then crossing the road it runs north through Survey No. 12 of Doddamaripalli village for about 42 chains to a point 5 chains south from the south-east corner of Survey No. 16 of Chinnamaripalli; then it runs north-east for about 8 chains through Survey No. 14 of Chinnamaripalli to a point 5 chains east from the south-east corner of Survey No. 16; then it runs north for about 20 chains at a distance of 5 chains from the eastern boundary of Survey Nos. 16 and 15 to a point 5 chains north-east from the north-east corner of Survey [illegible]. 15; then it runs slightly north-west for about 5 chains to a point 5 chains north from [illegible] north-east corner of Survey No. 15; then it runs north-west through Survey Nos. 14 of [illegible]amaripalli and 20 of Pichapalli for a distance of 32 chains to a point 5 chains south-east [illegible]he south-east corner of Survey No. 40 of Dabbanahalli; then it runs north for about [illegible] and meets the common boundary of Pichapalli and Dabbanahalli Villages; then the [illegible] east for 30 chains along the southern boundary of Dabbanahalli; then turns north [illegible] for 30 chains through Survey No. 37 and meets the common boundary of Dabbana-[illegible] Boyisannepalli Village, then it turns west and runs for 30 chains along the northern [illegible] of Dabbanahalli Village to a point 8 chains east from the south-east corner of [illegible]37 of Boyisannepalli Village; then it runs slightly north-west through Survey

No. 25 of Boyisannepalli for about 10 chains to a point 5 chains south from the north-east corner of Survey No. 35; then it runs north-east for 7 chains to a point 5 chains east from the north-east corner of Survey No. 35, then it runs slightly north-west for about 17 chains to a point 13 chains east from the north-east corner of Survey No. 29; then it runs north-west for about 11 chains to a point 5 chains north-east from the north-east corner of Survey No. 29 of Boyisannepalli Village, then it runs north-west and runs through Survey No. 25 of Boyisannepalli and 60 of Ukkarahalli for about 36 chains to the easternmost corner of Survey No. 59 (tank) of Ukkarahalli Village; then it runs in the same direction for about 38 chains through Survey Nos. 60 of Ukkarahalli and 40 of Boyinahalli to a point 14 chains east from the southernmost corner of Survey No. 38 of Boyinahalli; then it runs north for about 13 chains to a point 13 chains north-east from the north-east corner of Survey No. 39 of Boyinahalli, then it turns north-west, runs for about 8 chains and meets the starting point.

Remarks.

Rights and Concessions.—The following rights of ways are allowed in the Block throughout the year.

1. *Boyinahalli.*—Foot-path 6' wide and 60 chains long from Boyinahalli to Kolar Gold Fields. It enters the forest in the northern demarcation line at a point 16 chains north-east from the north-east corner of Survey No. 39, runs east in Survey No. 40 and 41 of Boyinahalli and leaves the forest on the eastern demarcation line at a point 15 chains west from the tri-junction gadi bondhs of Boyinahalli, Ukkarahalli and Kolar Gold Fields lands.

2. Foot-path 6' wide and 40 chains long from Boyinahalli to Kolar Gold Fields. It enters the forest in the western demarcation line at a point 20 chains south-east from the south-east corner of Survey No. 38 of Boyinahalli, runs north-east through Survey Nos. 40 and 41 of Boyinahalli and joins foot-path No. (1) noted above.

3. *Boyisannenahalli.*—Cart-track 12' wide and 85 chains long from Boyisannenahalli to Kolar Gold Fields. It enters the forest in the western demarcation line at a point about 5 chains north-east from the north-east corner of Survey No. 29 of Boyisannenahalli, runs east in Survey Nos. 25 and 26 of Boyisannenahalli, leaves the forest in the eastern demarcation line at a point about 19 chains north-west from Kolar Gold Fields stone K. 55

4. *Doddamaripalli.*—Cart-track 12' wide and 110 chains long from Doddamaripalli to Kolar Gold Fields. It enters the forest in the western demarcation line at a point about 2 chains north-east from the south-east corner of Survey No. 15 of Chinnamaripalli; runs north-east in Survey Nos. 14 of Chinnamaripalli, 20 of Pichapalli and 37 of Dabbanahalli and leaves the forest on the eastern demarcation line at a point about 35 chains south-east from Kolar Gold Fields stone pillar K. 55.

5. Foot-path 6' wide and 11 chains long from Doddamaripalli to the well in Survey No. 12 Doddamaripalli. It enters the forest in the western demarcation line at a point about 5 chains east from the north-east corner of Survey No. 11 of Doddamaripalli, runs south-east in Survey No. 12 of Doddamaripalli to the well.

6. *Bodagurki.*—Cart-track 15' wide and 15 chains long from Bodagurki to Kolar Gold Fields in Kamasandra High Road. It enters the forest in the western demarcation line at a point 5 chains north from the north-east corner of Survey No. 67 of Bodagurki, runs north-east in Survey No. 68 and meets the High Road at the bund.

7. Foot-path 6' wide and 105 chains long from Bodagurki to Dodkalhalli. It enters the forest in the western demarcation line at a point 5 chains east from the north-east corner of Survey No. 8 of Bodagurki, runs east in Survey Nos. 22 of Bodagurki and 88 of Dodkalhalli and leaves the forest in the eastern demarcation line at a point about 10 chains south-east from the south-east corner of Survey No. 87 of Dodkalhalli.

Other Concessions.—Nil.

The occupation of the Kolar Gold Fields Mining area is subjected to the following stipulations.

1. That the immunity of the Company under their lease from the application of Government Rules governing the conduct of prospecting and mining operations incl those conducted in forest lands and from the operation of the stipulations attached current statutory form of Government mining lease be preserved to them for the rem their lease.

Note.—The right is thereby conserved to the Company to re-enter the fore area and to carry on mining operations thereon free of any claim pensation.

2. That such immunity be extended to the Company during any period of extension of their present lease.

3. That the Company are not held liable for any damage which may be caused to the forest land area either as a result of their own operations or of those of other neighbouring mines.

By Order,
M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

LOCAL SELF-GOVERNMENT SECRETARIAT

No. G. 2287—*P. H.* 2-37-7, *dated* 9*th September* 1937.

Whereas the Government of His Highness the Maharaja of Mysore are satisfied that there is danger of spread to uninfected areas of Plague, from Mulbagal in the Mulbagal Taluk, Kolar District, if persons from outside areas in the Mysore State or elsewhere are permitted to assemble in the place on the occasion of the "Urus" of Hazarath Baba Hyder Vali Darga from 15th September 1937 to 20th September 1937.

In exercise of the powers vested in them under the Mysore Epidemic Diseases Regulation, II of 1897, Government are pleased to prohibit the assemblage of persons thereat from outside areas.

All persons proceeding to the "Urus" in contravention of this notification will be sent back.

No. G. 2308—*G. M.* 41-37-4, *dated* 10*th September* 1937.

All Public Offices, Courts, Educational and other public institutions in Jagalur Town will be closed on Wednesday the 15th September 1937 in honour of the visit of His Highness the Maharaja of Mysore to the Town.

No. G. 2361—*P. H.* 2-37-9, *dated* 11*th September* 1937.

Whereas the Government of His Highness the Maharaja of Mysore are satisfied that there is danger of the spread of Plague from Shikarpur Town in the Shikarpur Taluk, Shimoga District, if persons from outside areas in the Mysore State or elsewhere are permitted to assemble in the place on the occasion of the Weekly Shandies at the place.

In exercise of the powers vested in them under the Mysore Epidemic Diseases Regulation, II of 1897, Government are pleased to prohibit the holding of the Weekly Shandies at Shikarpur for a period of two weeks.

All persons proceeding to the Shandies in contravention of this notification will be sent back.

No. G. 2193—*P. H.* 32-37-2, *dated* 4—6*th September* 1937.

The undermentioned notification issued by the Chief Commissioner of Coorg, prohibiting the attendance of persons from infected areas on the occasion of the Talakavery Jatra at Bhagamandala, in Coorg, is hereby published for general information.

By Order,
P. H. KRISHNA RAO,
Secretary to Government,
Local Self-Government Department

CHIEF COMMISSIONER OF COORG.

Notification No. 150, *Bangalore dated the* 30*th August* 1937.

Whereas the Chief Commissiner of Coorg is satisfied that there is danger of an outbreak of plague or cholera at Bhagamandala, a village in Bhagamandalanad of North Taluk, in Coorg, if persons from plague or cholera infected areas either in the Mysore or elsewhere are permitted to assemble at that place on the occasion of the ensuing very Jatra during the Tula Sankramana.

exercise of the powers delegated to him under the Epidemic Diseases Act, 1897, the ommissioner prohibits the attendance at the said Jatra of persons from plague or infected areas from the 6th October to 22nd November 1937.

persons proceeding to the Jatra in contravention of this notification will be turned

A. J. COURTNEY,
For Secretary to
Chief Commissioner.
